

[Website design and development](#)

[Website graphic design](#)

I have several connections in fields that are complementary to event photography. Here are a few examples of services I can refer you to. Do not hesitate to contact me for more information.

- Event agencies (various event hosting services)
- Destination management companies (organization of conventions, banquets, etc.)
- DJ, band, music
- Photo reproduction on canvas, artist painter
- Translation of event-related documents
- Video, editing, presentation, transfer
- [Large format printing](#)
