

Because each event is unique and requires various photo services, I offer a wide range of options that you can combine at a tailor-made price. There is the photo report on DVD delivered a few days after the event. It consists of a number of pictures of the event that show the essentials:

- Pictures taken on the spot
- Pictures of reactions
- Pictures of the atmosphere
- Official pictures
- Group pictures
- Pictures of the setting
- Etc.

Here are other possible options:

- Picture display on giant screens
- Fast printing on location (portraits or pictures of people at the tables) or after the event
- Choice of customized picture frames
- Picture printing according to theme (Photoshop editing)
- Musical photomontage (with printed DVD copies)
- Etc.

As you can see, there are several options available! Do not hesitate to make special requests.
